i've been receiving complaints all afternoon about the same thing and also that the lines were over 45 minutes long. electioneers were right at the door and Vote Yes signs were also right at the door, clearly an infraction of the 25ft rule?!

my wife actually went twice and finally gave up. she registered to vote 7 days ago and still has recieved no pin?!

At the Kurarta today, there was someone yelling at potential voters to vote yes. One women said there was a line to register and she felt intimidated and left. Other folks who were walking to the pop up also reported a man yelling to vote yes.

Just a quick note of appreciation! so many of you came out to vote today. Many others helped spread the word about today's pop-up at our office. Just obtained the final numbers from DONE. We had a total of 86 votes cast here today.

Remember there is another polling place tomorrow at 420 E. Third St. (3rd & San Pedro) from 1-4pm.

Thanks again to everyone who made a difference today!
